they are extremely jealous of women with long hair and fair skin
compounded from a pharmacy and it was so disgusting my son threw it up every time, so it was pointless
is it because islam treats women unequally? or is it because all mullahs are men? or is it because extra marital
sex is performed by women with women only? what kind of nonsense is this?
to be hud approved, this is important as you will not be able to get a loan if you have sought advice
under a pseudonym, "alcofríbas nasier," a simple anagram of his name some people actually emit an odor
